UNUSUAL ENROLLMENT HISTORY APPEAL FORM (UEHA)

Based on the submission of your recent FAFSA, it has been determined that you have an unusual enrollment history while receiving the federal Pell Grant. An unusual enrollment history is defined as having attended multiple institutions in the past three aid/award years. Upon review of your academic records, it has been determined that you did not earn academic credit at one or more of your previously attended institutions. In this circumstance, our office is unable to award federal Title IV funding until an appeal is received documenting failure to earn academic credit.

If you wish to appeal, please complete this appeal form providing an explanation of your circumstances during the semester you did not earn credit. Include the name of the school and the semester(s) in your explanation and attach any supporting documentation to this form.
