ACADEMIC INTERNSHIP OPPORTUNITY

HURRY! – January 31st Deadline

Organization: CDC Funded Internships – Summer, 2015

Location: Baltimore, Maryland

Details: Two Public Health experiences available to undergraduate students this summer:

The MCHC/RISE-UP Program is a 10-week summer program for undergraduates in their junior and senior year and recent baccalaureate degree students who are interested in learning more about preventing health disparities. Clinical/Community; Community Engagement and Advocacy; and Research are the Public Health experiences offered to scholars. $3,500 Stipend, Housing and Round-trip travel.

Public Health Leadership and Learning Undergraduate Student Success (PLLUSS) Program—an eight-week summer and part-time academic year public health leadership and research program for Public Health majors/minors. $5,140 per year; Housing and Round-trip travel.

Requirements:

- Professional Resume
- MCHC/RISE-Up = Junior or Senior
- PLLUSS = Sophomore or Junior
- 3.0 GPA
- Three references
- Division chair or professor approval.

Application Deadline: January 31, 2015
