

A Special Message to the Du Bois Scholars Alumni

Dear W.E.B. Du Bois Scholars Program Alumnus:

Being a W.E.B. Du Bois Scholars Program graduate means you are a member of a very special and exclusive family. As such, we ask that you stay involved. This means staying connected with your fellow alumni, your alma mater and the current Scholars Program.

The LOC honors program faculty and staff are here to help. We are working to establish the very first LeMoyne-Owen College W.E.B. Du Bois Scholars Alumni Association and need your assistance.

Whether you wish to network with fellow alumni, mentor current students or attend a fun social event, we hope that you will become an active, supportive alumnus, particularly with the Du Bois Scholars Program.

LeMoyne-Owen College is very proud of all its students and alumni. After all, it is your success in life that shines a bright beacon of light on this great institution. The LeMoyne-Owen College W.E.B. Du Bois Scholars Program Alumni Association is your connection, helping you stay in touch and actively involved with your alma mater.

This is an auspicious time for the Scholars Program as it is experiencing a renaissance under new LOC President Dr. Andrea Lewis Miller. The establishment of the W.E.B. Du Bois Scholars Center is one of her first actions to rejuvenate the program. This specially designated facility is a momentous step forward in our efforts to enhance academic awareness in the city of Memphis and beyond. The Center provides scholars exclusive access to computers, printers, copiers, quiet study areas, storage space and a lounge for where they can relax and interact with like-minded peers. This new center also will serve as an outstanding recruitment tool to attract more scholars who will begin and complete their undergraduate studies at your LeMoyne-Owen College.

We seek your input as a former Du Bois Scholar. Please contact us with questions, comments, or suggestions so that together we may create an academic environment that empowers current Scholars to succeed as you have.

Contact us via phone at 901-435-1286, fax at 901-435-1764, email at honors@loc.edu, or stop by the Du Bois Scholars Center at 804 Saxon Avenue.

Sincerely,

Dorsey Patterson,
Honors Program Director
