STATEMENT FROM INTERIM PRESIDENT CAROL JOHNSON DEAN REGARDING HOUSING-RELATED PETITION

Some of our LeMoyne-Owen College students have housing insecurities, and it's critical that we provide needed support to those students. The challenge has been that their high mobility during the summer months, coupled with the fluid changes from COVID-19, makes it difficult to ensure that the latest information reaches everyone in a timely manner.

Our team is aggressively working to reach all LeMoyne-Owen students and confirm that they have a place to stay during this time, and if not, we are providing temporary housing solutions. Any LeMoyne-Owen student who has a proven need for housing support is urged to call us at 901-435-1480 or 901-435-1755 or email housing@loc.edu or studentservices@loc.edu for more information.

All of the latest updates regarding our back-to-school plans will be provided on our website at loc.edu.
