

## Hollis F. Price Library

### Databases for Business & Economic Development

[EBSCOhost Research Database](#) is a powerful online reference system accessible via the Internet. It offers a variety of proprietary full text databases and popular databases from leading information providers. The comprehensive databases range from general reference collections to specially designed, subject-specific databases for public, academic, medical, corporate and school libraries.

[JSTOR](#) provides access to more than 12 million [academic journal articles](#), [books](#), and [primary sources](#) in 75 disciplines.

[ProQuest Central](#) is the largest single periodical resource available, bringing together complete databases across all major subject areas, including Business, Health and Medical, Social Sciences, Education, Science and Technology, and Humanities.

[Gale](#) created materials along with titles from 120+ notable publishers, thousands of newspapers and journals, and more than 175 million pages of primary sources.

[Credo Reference](#) is a vast online reference library, providing access to the full text of hundreds of highly regarded and popular titles. And Credo brings the facts alive with images, sound files, animations, videos and much more. Find speedy, simple answers and full in-depth articles

[World Book](#) is known for taking complex topics and breaking them down into an easily understood format to enhance subject matter understanding. Our editors' rigorous writing, fact checking, and readability standards provide both thoroughness and expertise. World Book's goal is to provide the most relevant, important, and timely information to allow for a clear understanding on a topic. Additionally, World Book offers a robust, high-interest nonfiction print collection to complement and support digital resources, including the only general reference encyclopedia still in publication.

[Mergent Online](#) Company and industry data for U.S. and international businesses. Includes equity pricing, institutional trades, executive biographies, competitor reports, stock reports, and annual reports.

[Nexis Uni](#) features more than 17,000 news, business, and legal sources—including U.S. Supreme Court decisions dating back to 1790.
