

LOC MAGIC MOMENT

Mr. Robert Williams, Director of Career Services

Robert Williams goes above and beyond when called upon, displaying what it means to be an LOC Magician. On two recent occasions, he has shown himself to be a team player.

On Spotlight Day, Mr. Williams stayed until the last pieces of trash on the lawn were picked up and the last chair was put away late that evening. As the director of Career Services that was not required of him. When there was a need for someone to step in on the first day of classes to organize and train the screeners, Robert filled in and was on campus at 6:30 AM to make sure the COVID-19 screening process ran smoothly.

His vision for the Career Services unit and advocacy for our students is appreciated and valued. The partnerships and support systems that he is building and developing will serve our students well during and after matriculation.

“Robert epitomizes what it means to be a team player. In Student Affairs, we call upon him beyond his scope of work because he has proven himself to be dependable, creative, and gracious to his colleagues. His love for LOC and those who serve her shows daily, and we could not ask for a better colleague to work with.” – Dr. Tara Dunn-Ross

THANK YOU ROBERT!
