Students can receive up to 150% in Federal Pell Grants per academic year based on eligibility. State and Federal Aid is only available for support of the first 180 credit hours attempted by a student. These credit hours include all accepted transfer credit hours and all periods of enrollment, even those in which a student did not receive federal/state aid. As a further restriction, part-time students may receive Federal or State Financial Aid for a maximum of twelve years. State of TN grants are not available for summer school.

If you have exceeded your loan eligibility for the grade level on the Federal Subsidized Stafford Loan or the Federal Unsubsidized Stafford Loan, you are ineligible for additional loan funds. A dependent student is eligible to use the Federal Direct Parent Plus Loan Program to assist with the summer term.

**NOTE: Hope / Lottery Scholarship recipients may have additional eligibility for Summer 2023. Eligibility will be determined when summer aid eligibility is determined.**

**INSTRUCTIONS: Print in ink or type. Complete each item. Use "N/A" for the items which do not apply to you. INCOMPLETE APPLICATIONS WILL NOT BE CONSIDERED FOR FINANCIAL AID.**
